Subject:- Request to organise Science Day in your College between 25<sup>th</sup> February to 1<sup>st</sup> March 2021

Sir,

Every year National Science day is celebrated on 28<sup>th</sup> February to pay tribute to Dr. C.V. Raman for his discovery, Raman Effect. On this occasion we commemorate the important contribution of science, scientists and scientific progression in our life. The theme of National Science Day 2021 is "Future of Science, Technology and Innovation (STI): Impact on Education, Skill and work"

You are requested to organise some lectures by educationist or scientetists. Participation of teachers and students in these events should be in maximum capacity. Science Day programme may be organised in physical mode taking care of COVID-19 guidelines or in online mode between 25<sup>th</sup> February and 1<sup>st</sup> March 2021.

A report of programme organised by your college should be communicated to the office of undersigned.

By the order of Hon'ble Vice Chancellor

(Prof. A.K. Nag)
